- The logo of Northwest University is a circular emblem. The outer ring contains the text "NORTHWEST UNIVERSITY" at the top and "1902" at the bottom. The inner circle is divided into four quadrants by a cross. The top-left quadrant contains the Chinese character "文" (Wen), the top-right contains "昌" (Chang), the bottom-left contains "學" (Xue), and the bottom-right contains "北" (Bei). These characters together read "西北大學" (Northwest University).

*Best Wishes!*
